Foreword

A yearbook is a collection of the memories stored throughout the year. The Annual Staff has attempted to keep these memories fresh in your mind by having you relive them through the pages of the CHIEF.

You, M. H. S. student, made and lived these memories. This is your book - the 1964 CHIEF.

waiting for you to

Best of luck in the
future to a nutty but
sweet classmate.

Fads

Our '63-'64 school days each had their own special attractions. Every year has a similarity in some respects, but in the following pages we would like to show you what made up our major school events and what our life was like. The atmosphere - the noise - is hard to capture, but here in picture form are the styles.

Popular everyday clothes among the students were mo-hair sweaters, stretch slacks, shifts, culottes, and lace blouses worn by the girls. The boys preferred v-necked slipovers, ski sweaters, and striped cardigans.

Viewing the floor, shoes worn by M. H. S. students this year were hush-puppies, slip-ons, and square-toed lace shoes for the boys. Styles for the girls ranged from t-strapped flats, to loafers, and the ever-popular white tennis shoe.

Out-of-doors wear for the M. H. S. students during the '63-'64 winter included letter-men's jackets and trench coats for the boys and the girls wore raccoon-collared coats and ski jackets.

From everyday . . . to those special occasions. Formal wear this year for the boys included pastel sport coats and dark suits. The girls wore dresses ranging from cocktail styles to floor-length gowns.

To "top off" the various styles and fashions, we find pixies, flips, and French twists popular among the girls.

Duck tails, waved hair, and crew-cuts were worn by the style-minded boys of Mosinee High.

"Togetherness" could be the theme for these two pictures. Two of the biggest fads this year were wearing angora on your steadie's ring and wearing matching sweaters.

"SUCCESS IS OUR GOAL; WITH AMBITION WE CLIMB"

Our senior year was perhaps the busiest and best year of our high school career. In the Homecoming, we were privileged to win the float contest and to have four senior girls represent us in the court. During basketball season, we enthusiastically cheered on our champion team, and were proud to have our own "Senior" bus taken to the Tomahawk game. The early spring months found us quite busy taking college entrance exams, being fitted for our caps and gowns, and making plans for our futures.

Juniors At Last

The Class of '65 started out well this year by working very hard and winning 2nd prize for their homecoming float. The Junior Homecoming Representative was Luetta Janz who chose Jim Drake as her escort.

When the magazine sale was finished, the juniors learned they had broken all previous records and had cleared a new high of more than \$700.

What a busy group!

Sophomores . . .

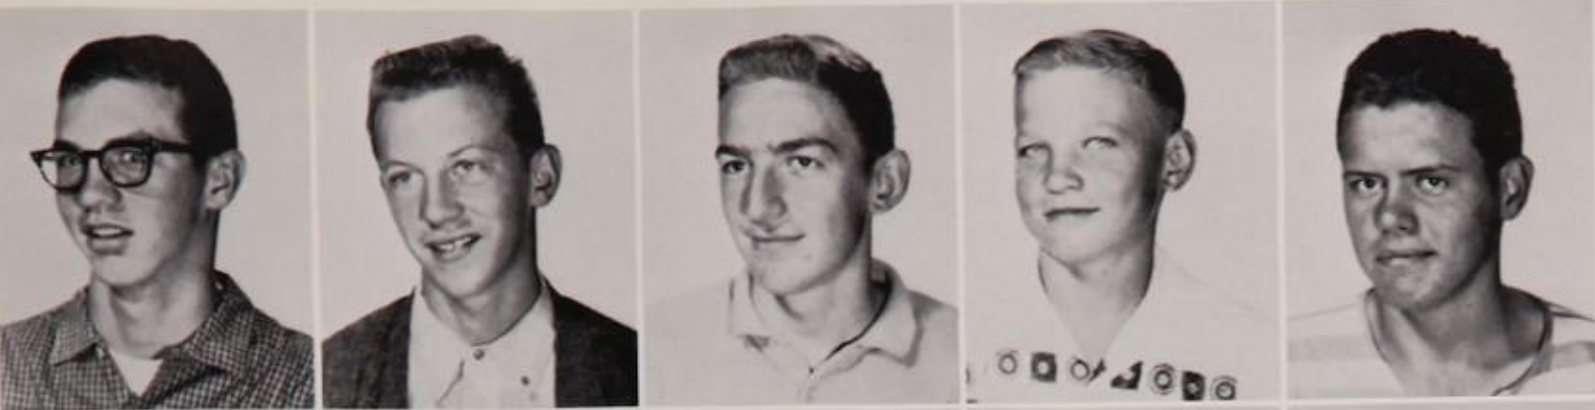

This year the 145 members of the Sophomore Class directed most of their efforts toward making good grades, supporting the teams, and preparing for their responsibilities as upper clasmen. Biology, English, Algebra, World History, Chemistry, and Geometry books could be seen in the lockers of this year's sophomores. Their Homecoming Representative and her escort were Joan McHugh and Jim Pliskie. The sophomore school spirit was shown at all the pep sessions.

"Any volunteers?" asks Tim.

Here we are . . .

In September of the 1963-1964 school year, 110 freshmen entered Mosinee High School. As active members of the high school the Freshman Class won third prize in the Homecoming festivities. Jean Brown and her escort, Chuck Marko, represented their class. As the year went on, the freshmen all participated in school activities and are now looking forward to next year as sophomores, when they will assume even greater duties in building a successful school.

This year there were 5 returning lettermen - they are: Wayne Ash, Bill Fletcher, Jim Martin, Tom Martin, and Louis Oertel . . . A majority of the football squad was new at the business, and a new football field was dedi-cated . . . At Phillips something unusual happened . . . Their fuses blew and we played an 11:30 p.m. game at Park Falls with Mosinee on top . . . Finally the big game arrived, Homecoming, and the question was, would the Clinton-Johnson Trophy remain ours? . . . It did with a Homecoming score of 31 to Tomahawk's 6 . . . Our guys stayed where they belonged . . . on top . . . in the last game of the season . . . beating Medford on home ground . . . M. H. S. boosted two All-Conference graduating players, as well as three All-Conference graduating honorable mentions . . . There were a total of eight All-Conference honorable mentions and one All-Conference player in the remaining two classes.

Mosinee had their best season since 1956, coming out on top as Conference Co-Champions. Mr. "B" stated that. "This was the best season the boys had played." Waupaca was an exciting game, although we lost in a 3 min. overtime. At Tomahawk our boys gave everything they had, only to lose in a double overtime, the final second of play was the only time that Tomahawk was ahead . . . Special Recognition should go to the following boys: Dick Adamski - Most Valuable; Jim Martin - Captain, Dennis Cabanski - Most Improved Soph . . . Dick Adamski led the conference in scoring; he was also top scorer on our team, followed by John Gorecki. Top team rebounders were; Dick Adamski and Tom Martin.

"Blue Hawaii" was the theme for the Junior Prom held on April 26. As the guests arrived, they were greeted in the lobby, decorated with fish net and flowers, by a Hawaiian mannikin. They stepped through a huge lei of multicolored flowers and entered a tropical wonderland. The centerpiece was a Hawaiian island consisting of tropical fruit, a waterfall, and palm trees. Dennis Maguire, President of the Junior Class, crowned Sharon Brown as his queen, and Cliff Hoene provided music for everyone's enjoyment.

"Harvest Moon" was the theme for the 1963 Student Council sponsored Homecoming activities, which included a snake dance, parade, game, and a dance. On a beautiful autumn day, October 12, the football team secured a smashing victory over Tomahawk by a score of 31-6. At night, the gym was decorated with colorful leaves, cornstalks, and a centerpiece composed of a large silver moon with a silhouette of a boy and girl on it. "COME OUT OF THE CLOSET"

The play "Come Out Of The Closet" centered around three girls from Ohio who came to New York to find jobs. As the play progressed, all sorts of strange things happened to the girls in the apartment that they had rented. The climax came as the three girls discovered that a counterfeiter was using their apartment as a storage place. Under the direction of Mr. Swenson, the cast put many long hours into the play; but the result was highly enjoyable for all.

Hi Ricky,

It was a lot of fun to know you. Those phone calls to Mike when he wasn't around & the times you came down. It was a ball at some of the dances at school (but you shouldn't get so --- sometimes). Between you & Mike sometimes you could raise the roof of the school.

I wish all the luck in the world in your future plans. I will miss seeing you around next year

Barb K.

Hi Rick

It was nice to know you in school. Best of luck.

Farewell

As we Seniors say good-bye to Mosinee High, we look back with fond memories on the past four years that we spent here. We recall the excitement and pride felt at athletic events, the fun shared at dances, parties and proms, the joy of making new friends, as well as a feeling of accomplishment when we made the Honor Roll.

In departing from our Alma Mater, we take with us all these memorable events to reminisce in later years. As each of us receive our diploma in June, we will thank M.H.S. for giving us a valuable training with a background for our future life.

Hi Rick,
It's been great fun knowing you these past years. That senior English class sure was a riot! Mr. Swenson will never be the same again! Be good! Best of luck to you in your future!

Hi Rick,

We had some wild times at Rocky Ridge these past few years didn't we.

Lots of Luck!

Tony

Hi Rickie
It sure was fun having you in first. Be. I wish you the best of luck in the future.

Hi Tick

You old saw you, we sure did have the good old
times this year, didn't we? There was so
many of them I don't quite know where to
start. I guess I'll never ever forget this year,
it sure was one great big puzzle. Make sure
you explain to your dad I was kind of under
the hills that night I was drinking his
boozy. That was one night I will never
forget. And the next morning to. Well
take it easy in the future, and best of luck
in whatever you do. I hope we can get
together sometime again after grad.
Of course we do have a couple more days
of school left, and that means some more
celebrating. Best of luck once more,
and be good. Don't be too hard
on your women this summer.

Your Friend

Always

Jack

Resumed for Sandy &
Hi Honey;
I guess I'll start from the beginning when I first started going out with you. I'll never forget the first time I met you at Ros. You were pretty drunk so you didn't make much of a impression on me. I had me so scared when you came to take me out. I was so bashful
ha ha! That's a laugh so? I remember the laughing when you read that. Remember the time we double dated with Joe and his girl and when I told her to smell my perfume and she stuck her nose right in it! I bet she could of killed me. Then when we had lunch at your place all I ate was pickles. Then there were the good times we went out with Jan and Joner. They sure were a lot of fun, to bad they had to break up. I'll never forget the time right before Christmas when you had those guys along.

It was the first time I
ever got so sick. Susan
gave me that home-made
wine and wiskey to drink and
to top it off beer. Then we drove
to those cabins to finish the beer and
the old grand-ma came in and told us
to drink up when she saw us "TRY" to hide
the beer. That was really a good laugh
on us. Remember that party at your
place with Jan and I know? That sure was
a riot when Jan crawled into Cecile's bed.
Then we took her slinky and pushed it
down the cellar steps. I guess Jan was
feeling good that night. Then there
were the good times we had at
the dances and movies. I don't think
I'll ever forget the movie Strait-
Jacket. Instead of me being scared
you were the one under the seat - just
about anyway. Then there was Cary's
wedding dance. I sure had a ball
that night. I guess I got sick
(Cont.)

that night too.
Remember the first time
we went out with Hank and Duse?
The very first times Diane and Ben were
along. What Diane shocked Duse with
the way she talked. Then there were
the times we took Lory and Jackie
to the park. The first time Lory
really embarrassed me. Remember? You
thought it was a big joke but I sure
didn't! Then there was the night
of the Mosinee prom. The gym swee-
was beautiful and I had a wonder-
ful time. The only thing that bothered
me was how late I came home.

At least I made it home early from
the Mosinee, I mean Stratford prom.
Then a few Saturdays ago I got pretty
sick drinking whiskey and beer. The
reason I got sick was because I
had some beer too. Never again - I
hope. The dance that night was a lot
(cont.)

of fun as
riding in that share
#64 car. After riding in yours
for so long it was quite a
change believe me. You I didn't
think I could write so much but
I could write much more about the
good memories I had with you. I
guess it really adds up to one thing
and that is I love you. So I bring
this to and end by wishing a real
sweet, (and stubborn) handsome guy
that I think a lot of the best
of everything this future has to
offer. I hope that in everything
you plan will come out the
way you planned it. Good luck
to you always.

Love you,
Landy
